Step 3 – Lottery

All applications are randomly ordered and assigned a log number based on this order. Your chances of being contacted are greatest if you are randomly assigned a low log number, or you meet one or more preference criteria*.

Step 4 – Interview

If you are selected, you will be contacted and invited in for an interview to verify if you meet eligibility rules. Going to the interview does not guarantee that you will receive affordable housing. However, after the developer and the city verify your file for accuracy and eligibility, you may be invited back to view an apartment and sign a lease.
